

Communion

•a Retreat•

October 14-16, 2011

Every fall The Gleanings Foundation has it's annual retreat. It has always been a time of connection - to self, to old friends, and to new friends that we meet along the way of this magical, mystical journey we call life.

This October we are offering an even deeper level of connection. The word that I keep hearing is Communion. A sense that all "One" of us are beginning to connect for this final push toward bringing true Peace on Earth.

This will come by bringing the pieces of yourself into harmony. The communion of all of you - Spiritual, Physical, Mental, Intuitive, and Emotional into one truly divine human being.

If you feel a calling to join us, we would love to have you. It feels to be the most profound experience offered to us by the Universe yet. To experience Communion with self.

Please bring the memories of your lives to this momentous reunion.

Love,
Nina
