

THE GLEANINGS FOUNDATION
PRESENTS

CLUTTER MANAGEMENT

Our environment has a tremendous impact on our life and can support us or contribute to our challenges.

Are you tired of the clutter in your home and your life? Would you like to learn more about what it means and what you can do about it?

Join us as we explore:

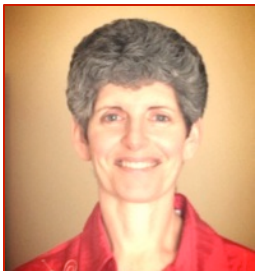

- why clutter happens
- why you may not want it
- how to locate and recognize it
- what to do with it

Freshen up your home and your life
